

Introduction to Telepractice at CPA

This course is for Cerebral Palsy Alliance employees

Who is this course for?

This is mandatory training for Allied Health Professionals. It can also be used as a refresher if you have had an extended break from delivering services via Telepractice.

For more detail see your Learning Journey.

If this course is relevant to your role, but not mandatory, please discuss with and get approval from your manager.

What content does the course cover?

In this training session you will learn how Telepractice is used at CPA and how it can transform your practice.

This includes:

- An introduction to Telepractice at CPA
- How to set up a Telepractice room for success
- Information on the platforms used at CPA
- Hands on time to explore and build skills in Healthdirect
- Platform tips and tricks.

Does the course have prerequisites or specific requirements?

The following must be completed before attending:

- Please check you have access to Healthdirect.
