

SleepAbility - Follow up workshop

Is this course suitable for you or your organisation?

This course is available

- for Cerebral Palsy Alliance employees only, **either at Allambie Campus OR via Skype**
- only for individuals who have attended SleepAbility training

Why choose this course?

This follow up workshop is designed to offer clinical support to clinicians who attended the SleepAbility 2 day course in 2017. It will be based on discussions around how the training has been implemented within service delivery at sites and a variety of case studies will be presented and discussed.

Useful for...

All staff who attended the SleepAbility Training in 2017. At least 1 staff member from each site is expected to attend the workshop and discuss how the skills and knowledge from the training have been implemented.

Learning outcomes....

- Understanding of knowledge translation regarding SleepAbility training into practice
- Increased clinical reasoning through the presentation and discussion of case studies relating to positive sleep practices

Does the program have any prerequisites?
