Assessment Reliability Scoring: Hand Assessment for Infants (HAI)

This course is for Cerebral Palsy Alliance employees

Who is this course for?

This session is for allied health professionals accredited in this assessment to ensure inter-rater reliability when scoring and analysing assessment data.

What content does the course cover?

This is a group opportunity for accredited allied health professionals to score and discuss assessment data. Specific details will be provided ahead of the session date.

Does the course have any prerequisites or specific requirements?

Participants must have already been accredited in this assessment. If you are not accredited please discuss the process for accreditation with your clinical educator.

What other details do I need to know?

Attendance type: Virtual
Duration: 30min – 1 hour (as per times below)
Times: Please select a course date below
If you need to cancel: Cancellation guidelines
Note: If you are unable to attend a session that you have registered for, please ensure you contact Training Alliance and cancel as places are limited and this allows others to attend.
