

Medication practice assessment annual refresher for managers 2022

This practice assessment is available:

- for Cerebral Palsy Alliance employees only.

This assessment is for all CPA managers in A&R, Lifestyles, Packforce and Youth Services. It is conducted annually as a compulsory Practice Assessment.

What does the assessment involve?

You will be assessed by one of our Clinical Nurse Specialists or Health Educators (RN) in a simulated environment across a range of concepts and activities to support the administration of medication for clients. This includes the assessor observing you undertaking various tasks, to assess your knowledge and skills to safely and effectively support clients with medication. The assessment session will also refresh key points covered in Practice Alerts.

Does the assessment have any prerequisites?

Managers need to have completed their Medication orientation training, as per their Learning Journey.

Assessment completion requires:

Managers must be able to show they have the necessary knowledge and practical skills to safely and effectively support the administration of medication for clients and to support their teams in medication management.

How long is the assessment?
