

## Positive approaches to behaviour support: Therapy services

**This course is for Cerebral Palsy Alliance employees**

**Who is this course for?**

This is mandatory training for Allied Health Professionals.

For more detail see your Learning Journey.

If this course is relevant to your role, but not mandatory, please discuss with and get approval from your manager.

**What content does the course cover?**

In this training session you will learn positive approaches to behaviour support and how to follow CPA's policy regarding Restricted Practice within the NDIS framework.

This includes:

- Identifying behaviours of concern and their possible function
- Having solution focused conversations with families about their concerns and aspirations for themselves and their child relating to their child's behaviour
- Understanding, implementing, and monitoring behavioural strategies to support the child who displays behaviours of concern
- Understanding the principles which govern the use of Restricted Practices
- Authorisation as they apply to children including the roles and responsibilities of staff/managers in the process.

**Does the course have prerequisites or specific requirements?**

The following must be completed before attending:

- Positive approaches to behaviour support – online

**What other details do I need to know?**

**Attendance type:** Virtual in person
