

## Promoting client health workshop

**This course is for Cerebral Palsy Alliance employees**

### Who is this course for?

This is mandatory training for the Disability Support workforce.

For more detail see your Learning Journey.

If this course is relevant to your role, but not mandatory, please discuss with and get approval from your manager.

### What content does the course cover?

In this training session you will learn how to recognise and respond to changing client health.

This includes:

- Defining health according to individual and community expectations and context
- Identifying factors that determine client health
- How you can support client health in the workplace
- Recognising deteriorating client health
- Responding appropriately to deteriorating client health as per workplace policies and procedures
- Finding health support resources within Cerebral Palsy Alliance and externally.

### Does the course have prerequisites or specific requirements?

The following must be completed before attending:

- Pre-reading (will be emailed to participants in advance).

### What other details do I need to know?
