

Infection, prevention and control CPA - online

Is this course suitable for you or your organisation?

This course is available:

- for Cerebral Palsy Alliance employees only

Why choose this course?

This online course focuses on safe work practices to ensure the health and safety of workers, clients and others. It is a compulsory induction activity for all Cerebral Palsy Alliance staff (with the exception of those working as disability support practitioners, Youth Services employees and managers in A&R, Lifestyles, Youth and Packforce. These employees will complete Infection prevention and control: CPA disability services which includes specific learning for these client facing roles.) The course is accessed via the Online Learning System.

What content does the program cover?

This course equips workers with the latest evidence based knowledge required to prevent and control infection according to current Work Health Safety (WHS) legislation, standards and industry codes of practice.

Course completion requires:

Successful completion of the compulsory online quizzes included throughout the course.

What is the cost?

There is no cost for this course.

How long is the course?

Duration: 1 hour approximately
