

Nutrition care process for dietitians working in disability – Online

Is this course suitable for you or your organisation?

This course is available for:

- individual purchase
- a group under a licence agreement

Why choose this course?

This online course is designed for accredited practicing dietitians and student dietitians who are working or want to work with people with disability.

For Cerebral Palsy Alliance Staff

At Cerebral Palsy Alliance this course is optional learning and can be accessed on request for others.

Cerebral Palsy Alliance employees are exempt from the registration fee.

What content does the program cover?

The learning in the course includes:

- Disability in Australia
- Nutrition and disability, including nutrition risks
- Nutrition care process that may differ when working with a person with disability
- nutrition-related needs for a person with disability
- Screening and referral
- Dietitians and the National Disability Insurance Scheme (NDIS)

Course completion requires:

Compulsory quizzes are included throughout the course

Funded project:

This course was developed with funding from NSW Department of Family and Community Services [logo]

What is the cost?

For individuals: the cost is \$38.50 including GST

To pay online go to 'Register for Online Learning' below. The registration fee allows access for 6 months.

Please note: there may be a delay of up to 1 business day between course registration and receipt of login details/course access.

For groups: we sell the course by licence agreement for large groups.

This is very cost effective especially if several online courses are purchased and even more on a multiyear payment plan.

How long is the course?

Duration: 45 mins - 1 hour approximately
