

Nutrition for people with disability - online

Is this course suitable for you or your organisation?

This course is available for:

- individual purchase
- a group under a licence agreement

Why choose this course?

This online course is designed for disability support practitioners and health professionals in disability to develop knowledge about nutrition risks faced by people with disability and when to refer to or seek advice from a dietitian or other professionals.

For Cerebral Palsy Alliance Staff

At Cerebral Palsy Alliance this course is optional learning and can be accessed via your online learning login for disability support practitioners or on request for others.

Cerebral Palsy Alliance employees are exempt from the registration fee

What content does the program cover?

The learning in the course includes:

- nutrition in the life of a person with disability
- nutrition risks that may exist for people with disability
- good nutritional habits
- role and scope of a dietitian

Course completion requires:

Compulsory quizzes are included throughout the course.

Funded project:

This course was developed with funding from NSW Department of Family and Community Services.

What is the cost?

For individuals: the cost is \$38.50 including GST

To pay online go to 'Register for Online Learning' below.

The registration fee allows access for 6 months.

Please note: there may be a delay of up to 1 business day between course registration and receipt of login details/course access.

For groups: we sell the course by licence agreement for large groups. This is very cost effective especially if several online courses are purchased and even more on a multiyear payment plan.
