

Oral hygiene for people with disability – Online

Is this course suitable for you or your organisation?

This course is available for:

- individual purchase
- a group under a licence agreement

Why choose this course?

This course is developed to support Disability Support Practitioners in providing effective oral hygiene for people with disability.

For Cerebral Palsy Alliance Staff

- **At Cerebral Palsy Alliance this course is a compulsory induction course for disability support practitioners and can be accessed via your online learning login.**
- Cerebral Palsy Alliance employees are exempt from the registration fee

What content does the program cover?

This online course provides learning on:

- Correct oral hygiene techniques when assisting a person with disability in their oral hygiene
- Information about the role diet plays in maintaining good oral hygiene
- The various types of oral health conditions that can occur including gingivitis, periodontitis and decay and how to prevent them from occurring.
- How some medications may contribute to oral health conditions

Course completion requires:

A quiz is included at the end of the course.

Funded project:

This course was developed with the support of a community service grant from the Wrigley Company Foundation and Australian Dental Association Foundation in 2016.

What is the cost?

For individuals: the cost is \$38.50 including GST

To pay online go to 'Register for Online Learning' below.

The registration fee allows access for 6 months.

Please note: there may be a delay of up to 1 business day between course registration and receipt of login details/course access.

For groups: this course is available for purchase by licence agreement. This is a cost effective method of delivering training, with the option to cluster a number of courses to meet your orientation, induction and refresher learning needs.

How long is the course?

Duration: 45 mins approximately
